**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please don't dismantle 1996 Telecommunications Act. You should not be limiting competition. There are already not enough options for telecommunications companies. We need more options. There are some areas that the big companies do not provide services. Please don't take away my options for internet. Thank you.
